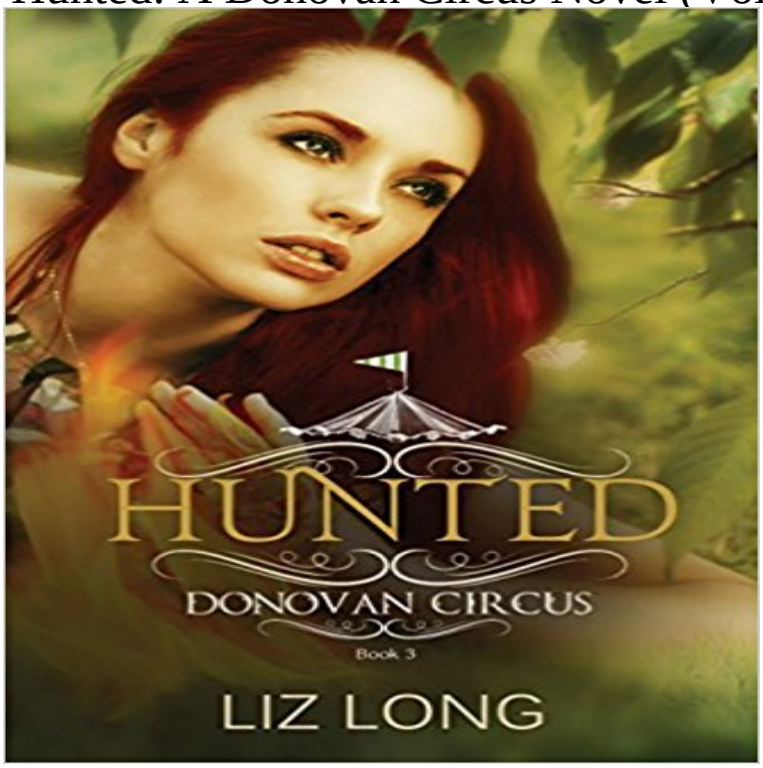
Hunted: A Donovan Circus Novel (Volume 3)



Lucy Sullivan finally belongs with the gifted Donovan Circus. Members are finding their rhythm, even the new folks from the Grayson Circus who joined after the last attack. Lucy feels like a trusted leader who can win the gifted battles and prevent humans from discovering their existence. When tragedy strikes camp, a distraught Sheffield sends Lucy and her gifted team to hunt down the enemy Alex, a Chameleon with a wicked ability for war. Hes out for blood and wont stop until Lucy and her friends are dead. This time, it wont be Lucys gift that is tested it will be her morality. To save her circus, the price will be greater than she ever expected. This time, she will lose someone she loves. And it will change everything.
