

## The Bronze Knight (World of the Demonsouled Book 6)

Once banished by his father, Mazael Cravenlock is now a knight in service of Malden, Lord of Knightcastle...and Maldens wizard advisor, the cold and calculating Trocend. When Trocend sends Mazael to investigate rumors of dark magic, Mazael finds more than just rumors.

Dark magic stirs in Knightcastle, and Mazael might be its first victim...

**ABOUT THE AUTHOR** Standing over six feet tall, USA Today bestselling author Jonathan Moeller has the piercing blue eyes of a Conan of Cimmeria, the bronze-colored hair of a Visigothic warrior-king, and the stern visage of a captain of men, none of which are useful in his career as a computer repairman, alas. He has written the DEMONSOULED series of sword-and-sorcery novels, and continues to write THE GHOSTS sequence about assassin and spy Caina Amalas, the COMPUTER BEGINNERS GUIDE series of computer books, and numerous other works.
