

Magic Well (Simplified Chinese reading comprehension, Level 1, Chinese-English Bilingual)

(This book is with free audio book, and also readable on iPad and tablets.)
 Someone opened a restaurant beside a wine-well . All customers knew the wine was in bad quality and free charge. A Taoist was paying the bill, the boss said that the wine was free. The Taoist left only after putting two little pills into the wine-well. From then on , the wine got intoxicating and the boss made much money due to the wine. The Taoist passed by the restaurant again a year later. The boss said : The pork dish going with wine tastes badly. The Taoist put his hand into the well ,withdrew the two pills and left.
