

17 & Gone

Seventeen-year-old Lauren is having visions of girls who have gone missing. And all these girls have just one thing in common they are 17 and gone without a trace. As Lauren struggles to shake these visions, impossible questions demand urgent answers: Why are the girls speaking to Lauren? How can she help them? And ... is she next? Through Laurens search for clues, things begin to unravel, and when a brush with death lands Lauren in the hospital, a shocking truth changes everything. With complexity and richness, Nova Ren Suma serves up a beautifully visual, fresh interpretation of what it means to be lost.
