

Christmas Sauna Traditions

We are getting ready for our Christmas sauna and I want to take you on a journey to this place of fire and ice. So, come, walk with me down the hill to our small wooden sauna by a frozen lakeside in northern Ontario. Come and eat, drink, sing, tell stories, stargaze and go to the sauna. Learn all about Christmas sauna traditions and savor delicious Finnish recipes! A Christmas sauna is a long and loved tradition for Finns. In Christmas Sauna Traditions read all about a traditional Christmas sauna, savor tasty recipes (including sauna baked apples, Santas fish soup, old country coffee bread, prune tarts and more), explore how to make a sauna whisk, ice candles and sauna potpourri. You will also learn about the official (and at times humorous!) rules of the sauna - in both English and Finnish!
