

Tales of King Arthur and the Round Table Adapted from the Book of Romance(Illustrated): The tales of King Arthur and his Knights are of Celtic origin

It is believed that King Arthur lived in the sixth century, just after the Romans withdrew from Britain, and when the Britons, left to defend themselves against the attacks of the marauding Saxons, rose and defeated them at Mount Badon, securing to themselves peace for many years. It was probably about this time that King Arthur and his company of Knights performed the deeds which were to become the themes of stories and lays for generations afterwards.
