

## 19th Century Clothing (Historic Communities)

Bobbie Kalman's acclaimed Historic Communities Series provides a close-up view of how people lived more than two hundred years ago. Colorful photos, many taken by Bobbie Kalman herself at restored historic villages across the country, help support the fascinating information. Children will have fun learning about: -- early homes and the settler community-- what people wore and the crafts they made-- how settlers made their living-- how they spent their leisure time-- the values, customs, and traditions of the early settlers. Ready-made clothing was not always available to the settlers moving westward. Many people dyed, spun, and wove wool and flax to make the cloth from which they sewed their clothes. People worked hard and wore practical clothing. This intriguing book provides young readers with information on: -- different fashions-- how clothes were made-- underwear and footwear-- hairstyles and hats-- how to make your own pioneer outfit
