

Renegade

The conclusion to the Heaven and Hell series. Ive been beautiful. Ive been ugly. Ive died. Ive been brought back. Ive had abilities awakened within me. My strength has been tested. My beliefs have been tested. Yet I stand. Whats next when youve pretty much experienced it all? The end. Sam and I are picking up the pieces. Were trying to come to terms with all weve lost. And as much as I would like to hide my head, ignore the reality I live every day, there is no forgetting. Riley is in hell-Im still not sure of his agenda. My mothers past haunts me. And Kimber... Kimber is being herself. Cole sneaks glances at Gemma and she returns them when she thinks I dont see. But I do. When Beelzebub escapes he brings his war to places I never thought he would. Earth. Maine. Home. Now everyone and everything is at risk. This has become bigger than my circle of friends. This has become bigger than me. I have to finish this. I have to find a way to stop him, to finish this war. I just pray we will all be left standing in the end.
