

86 Avenue du Goulet (Samantha Jamison Mystery Book 3)

????? NEW EDITION 3/1/16 My friend, Martine, in France says odd things are going on next door. Soon Im in a maze of misdirection, hostility, buried secrets, a gardener, a cat lady & house of red light. How do I solve it when I barely speak French? With humor of course! REVIEWERS: Loved it! original style protagonist turns around and talks to the reader. You come away feeling like you know the people in her books personally. This 3rd novel by Peggy is like the first 2, hard to put down! I have read everyone of her books and love them all. The villains identity was a well-kept secret until the end. The third Samantha Jamison Mystery is a fast-moving, unpredictable, totally enjoyable novel. Never saw the end coming! I cant wait for the next adventure! I love the chaos of getting a result. the Mix of detectives is a riot. Its a somewhat funny romantic mystery. A combination I love! ?????
