

## Giving Birth to Thunder, Sleeping with His Daughter: Coyote Builds North America

One of the most enduring characters in Native American mythology comes boldly and brilliantly alive in sixty-eight tales of magic and wonder from National Book Award-winning author Barry Lopez. According to Native American legend, Old Man Coyote created the earth and humankind, arranged the heavens, and brought fire and death to the world. Cunning and canny, he is a trickster, a devil, a warrior, a lover, and a fool. A magical creature of insatiable appetites, he is forever scheming, yet finds all too often that his ingenious intrigues are ultimately turned back upon himself. In *Giving Birth to Thunder, Sleeping with His Daughter*, critically acclaimed author Barry Lopez presents sixty-eight adventurous, humorous, ribald, and often profound Coyote tales gathered from forty-two different tribes, infusing timeless lore with new life and wonder. This ebook features an illustrated biography of Barry Lopez including rare images and never-before-seen documents from the author's personal collection.
