

## Select Letters of Percy Bysshe Shelley (Classic Reprint)

Excerpt from Select Letters of Percy Bysshe Shelley The publication of a book in the series of which this little volume forms part, implies a claim on its behalf to a perfection of form, as well as an attractiveness of subject, entitling it to the rank of a recognised English classic. This pretension can rarely be advanced in favour of familiar letters, written in haste for the information or entertainment of private friends. Such letters are frequently among the most delightful of literary compositions, but the stamp of absolute literary perfection is rarely impressed upon them. The exceptions to this rule, in English literature at least, occur principally in the epistolary literature of the eighteenth century. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
