

# The Wicked Day: The Tormay Trilogy (Volume 3)

The Darkness Awakes... Tracking the kidnapers of Giverny Farrow, Jute and his friends discover the Dark is on the march. A long-forgotten enemy has emerged from the pages of history. The land of Tormay must be warned in time before it is too late.

In the city of Hearne, Owain Gawinn desperately tries to ready his forces for the coming battle. Little does he know that treachery is stirring within the gates. Tormay teeters on the brink of war, and the duchies look to Jute as their last hope. But there is an ancient evil waking that even all the power of the wind cannot hope to defeat. With the hawk, the cantankerous ghost and the assassin Ronan at his side, can Jute save Tormay? On one final, stormy day, the fate of the land will depend on his choice...
