

## Hunting Season: A Novel

From internationally bestselling author Andrea Camilleri, a brilliant, bawdy comedy that will surprise even the most die-hard Montalbano fans. In 1880s Vigata, a stranger comes to town to open a pharmacy. Fofò turns out to be the son of a man legendary for having a magic garden stocked with plants, fruits, and vegetables that could cure any ailment a man who was found murdered years ago. Fofò escaped, but now has reappeared looking to make his fortune and soon finds himself mixed up in the dealings of a philandering local marchese set on producing an heir. An absurd, quirky murder mystery that recalls the most hilarious and farcical scenes of Shakespeare and *The Canterbury Tales*, *Hunting Season* will introduce American readers to a refreshing new aspect of one of our best-loved writers.
