

# Smorgasbord

Smorgasbord is a finely blended mixture of both fiction and nonfiction. A retired Sergeant Major builds a cabin for his wife, missing and unwanted dogs become members of loving families, and a Big Brothers Big Sisters volunteer takes a dozen needy children on a fishing trip. Memories of attending family funerals, and the physical and financial pains involved in undergoing jaw surgery. A customer service manager jeopardizes his job and his life all because too many of his personal buttons are pushed. Two young lovers try to enjoy a weekend out of town but instead they are terrorized by an evil clown and his entourage. A married couple hosts a Halloween party where they try swinging for the first time; however their house gets burned to the ground instead. And last but not least, a demon support group assembles to discuss various human and nonhuman issues.
