

The Search: The Descendant Vampire Series Book 2

Allison Carmichael is thirsty for blood and hungry for answers. Lured away from her illicit extracurricular activities by news about her kidnapped husband, Allison rejoins her adopted family that promised to help her find him. Allison's search is detoured, however, by sinister vampire politics, the seeming good will of her fanged family, and the return of her nemesis. Circumstances unfold that shatter the foundation of her world. In order to successfully play the game she has been thrust into, Allison must battle loss and betrayal and accept unexpected love. THE SEARCH is on for answers, but when answers are found, will they be what Allison was looking for?
