

Odins Legacy (The Vikings Book 3)

Carl James returns with the epic conclusion to the successful trilogy, *The Vikings*. The mythical Books of Fate which tell the true history and possible future of all mankind have been hidden for centuries. While exploring a mysterious cavern, young Sigeric discovers one of the lost volumes, *The Book of Life*, and is swept back to a ruthless Viking era of ancient gods and bloody war. As Sigeric struggles to survive and return home, he finds that the fates have made him a keystone in time where he must prevent the downfall of mankind and preserve *Odin's Legacy*.
