What happens when youre a professional assassin and your fiance is murdered in retaliation for your latest kill? Just ask Evangeline Heart, who is visited by the Archangel Metatron soon after burying her soul mate, Griffin, and told she must rescue Griffins soul from the dungeons of Hell. In the first segment of The Evangeline Heart series, Evangeline (Lina) will join forces with a professional thief, a bumbling scholar, and an archangel who together will battle the forces of evil in hopes of saving the future for mankind. The Dead Celeb: FANS OF SOOKIE STACKHOUSE WILL LOVE EVIE PRESTON! What happens when a small town girl moves to Hollywood to pursue her dreams and winds up smack dab in the middle of a murder investigation, haunted by famous dead celebs, and working for the

biggest pop star in the music industry?
Introducing Evie Preston: Small-town girl and under-the-radar healer, currently trapped in a po-dunk Texas town but yearning for something more. When fate gives her the opportunity to move to Hollywood to follow her dreams, Evie finds herself navigating through the land of glitz and glamour, and the realm of (dead) celebrities. Raised in Brady, Texas by her minister father and her beauty shop-owner mother, Evie has been trying to get out of town for years. When an old family friend gives her an unexpected gift on her birthday, Evie finally gets the chance to start fresh out west. Against her fathers wishes, she packs up her guitar, her dog, Mama Cass, and heads for California. Once in L.A., Evie finds a singing gig at a local dive bar where she meets a slew of interesting characters including the owner himself, a former child star with a hidden past. She also scores a day job doing make-up for a famous and foul-mouthed pop diva. One of the job perks includes house sitting at a Hollywood Hills mansion. But what Evie doesnt know is the house is also home to some famous celebrity spirits, including the essence of former Grunge rocker, Lucas Minx. As if things werent complicated enough, Evie finds herself in the middle of a murder mystery and discovers shes being targeted by some nasty spirits. And to top things off, shes developed a Texas-sized crush on her hot, but very dead, roommate, Lucas. Maybe her dad was right and the City of Angels really is the City of Devils all of them after her. **WARNING:** Strong language, sexual content, and mild violence. **About the author:** A.K.
