

## A Princess of Mars

A Princess of Mars is the first tale in the classic Martian novel series of Edgar Rice Burroughs. At the center of the series is the protagonist John Carter, a Confederate Captain of the American Civil War, who finds himself mysteriously transported to the planet Mars. A Princess of Mars is both a romantic adventure and a science fiction tale of fantasy. John Carter finds himself captive by large four-armed green men along with the lovely princess of Helium, Dejah Thoris. Between them and a safe escape lies a treacherous landscape of strange creatures and mysterious deadly dangers.
