

## A Scotch Frisky: Prose Version (In the Picture Fantasies)

Young friends are caught on the camera of a movie company filming London's historical landmarks. They enter a fantasy world of bizarre characters, wily animals, and evil General Nitti-Gritti, from an ancient eastern dynasty, intent on conquering Britain. The friends are caught on camera during the movie company's filming of Scotland's history and legends. They meet up with Robert the Bruce, the poet Robert Burns, and the legendary Loch Ness monster. Behind the scenes, General Nitti-Gritti manipulates Scotland's historical events to his advantage.
