

## Beyond the Sea of Storms (Accidental Sorcerers Book 6)

The newly resettled town of Vlis seems an ideal place for Mik to recover from battle-shock, quiet, remote, and on the edge of the Deep Forest. But the Deep Forest has a mind of its own. Soon, Suras compulsion to return home takes them farther from home than ever. Befriended by a Lesser Dragon, hailed as a prophet by the locals, Bailar and his apprentices must find their way in an unfamiliar place. When an invasion forces them to choose sides, Mik must come to grips with his deepest fear to save his friends and innocent folk.
