

A Pehov Duet (The Chronicles of Siala)

Two original, exciting and engaging short stories from Alexey Pehov that feature master thief Shadow Harold, the protagonist of the Chronicles of Siala epic fantasy series. In *The Snake*, Harold, the most accomplished thief in the world (and reluctant hero of Alexey Pehov's award-winning series, *Chronicles of Siala*) may have finally met his match in what could prove to be his most dangerous escapade. A stand-alone short story appearing for the very first time. *Battle of the Margend Horseshoe* is an additional scene from *SHADOW BLIZZARD*, Pehov's upcoming conclusion to the *Chronicles of Siala*. Harold and friends, old and new, prepare for a spirited offensive attack after cleverly cornering the Orc army at the Margend Horseshoe river bend. An exciting taste of the masterful battle scenes that are Pehov's forte.
