

Monsters of Mars and Other Works by Edmond Hamilton (Unexpurgated Edition) (Halcyon Classics)

Edmond Hamilton (1904-1977) was an early contributor to pulp science fiction magazines of the 1920s and 1930s, and is credited with publishing the first hardcover compilation of science fiction stories. Hamilton also wrote horror, fantasy, and thriller stories for the pulp market. He was married to fellow sci-fi author and screenwriter Leigh Brackett for more than thirty years.
