

Soul Guard (Elemental) (Volume 5)

With his greatest enemy freed and the paranormal world in turmoil, Devon Sanders, a private investigator known for his efficiency and discretion, is about to learn what it means to be a wizard. After two years of learning magic, he will find out who was really pulling the strings. His friends and family are being targeted, his visions turn violent, and choosing the lesser of two evils may prove fatal. All magic comes at a price and Devon has quite a debt, but who will pay it? Magic is elemental.
