

## Angel Hunt (Angel Series Book 3)

London in the late 1980s the era of Thatcherism and Loadsamoney is an exciting but sometimes dangerous place to live. Fitzroy Maclean Angel gets by partly through gigging as a jazz trumpet player, partly through taking illegal fares in his de-registered black taxi cab, and partly through well, just being in the right place at the right time. And, as he often says himself, its better to be lucky than good. In Angel Hunt, his third escapade, Angel has an old university friend drop in on him quite literally, as he plummets to his death through a skylight window! And thats just the start of Angels troubles, as he gets his arm twisted by the police to help with their enquiries into a group of animal rights activists, who might just have something rather more deadly on their minds than a bit of foxhunt sabotage The third of Telos Publishings reissues of celebrated British author Mike Ripleys series of comic crime novels featuring Fitzroy Maclean Angel.
