

St. Nicks Favor (Cernunnos Series) (Volume 2)

St. Nicholas asks Nina Weaver to be his emissary. Her mission is to take a one-way trip five years into her past to save the lives of thousands of children. Doing this will result in her losing the life she has built in New York City, including her relationship with Pascal Guzman. Nina faces down corporate greed, attempts on her life and the terrors of the Trickster God to keep her promise.
