

## I am for Boys

In I am for boys, author Shonda Miles wants to empower young boys. High Self Esteem is critical for boys today. Boys are expected to be confident. They are expected to be Leaders. Boys are judged so harshly by their peers. It is essential that boys believe the right things about themselves. The truth is if a boy believes in himself and talks to himself in a positive way then nothing will stop him from achieving his goals. Boys who have poor self-esteem grow up to be Men with low self-esteem. Boys need to practice positive self-talk every day. Boys will believe what they say to themselves more than what anyone else says especially if they practice positive self-talk every day. The purpose of this book is to help boys do just that.
