

Atlas Poetica 18: A Journal of Poetry of Place in Contemporary Tanka (Volume 18)

Tanka is small form that can handle any content, and this issue of Atlas Poetica proves it by focusing on large subjects: death, religion, myths, dreams, legends, history, and the numinous nature of the human soul. As always, tanka poetry and tanka prose are accompanied by articles and book reviews that expand the readers experience. Now in its sixth year, Atlas Poetica is one of the most prestigious tanka journals available in English.
