

Goon Squad, Vol.1: Special Talents

[Young Adult Fiction (Ages 12-17)][Read by Gabrielle De Cuir][Introduction read by the author - Jonathan L. Howard] The infamous Goon Squad must protect modern-day Manchester from monsters, mutants, freaks, and masterminds. An ongoing, episodic prose comic from which the pictures are summoned by the magic of words, Goon Squad is set in a version of modern-day Manchester. Its biggest divergence from the real city is that it--along with most other large urban centers--has a team of superheroes to protect it against unusual threats with which the conventional forces of law and order would have problems. Goon Squad, Volume 1: Special Talents is composed of six tales: The New Girl, Nightclubbing, By the Water, by the Grave, Changes, No-No Dojo, and Exterminating Angel, as well as an introduction read by the author.
