

Blood Bath & Beyond: An Immortality Bites Mystery

Sarah Dearly is adjusting to life as a fledgling vampire, satisfying her cravings at vampire-friendly blood banks. But when her fiance Thierry takes a job with the Ring, the secret council in charge of keeping vampires in line, Sarahs about to get more than a taste of danger. Being engaged to a centuries-old master vampire can be challenging, especially when he takes a job with the Ring. Thierry is in for fifty years of nonstop travel and deadly risk. Its enough to make any woman reconsider the wedding, any woman except Sarah, that is. Traveling to Las Vegas for his first assignment, they encounter a child beauty pageant contestant from hell, as well as a vampire serial killer leaving victims drained of blood, potentially exposing the existence of vampires to the whole world. But when Thierry's truly ancient history comes back to haunt him, and hes accused of a crime he didnt commit, its up to Sarah to clear his name before their immortal lives come to an end.
