

Dead Blossoms: The Third Geisha

16th Century Japan A civil war has left the nation in tatters Jiro Tazeko is a ronin samurai tied to no clan and scorned by many. A hard-drinking mercenary and master swordsman, he is looked down upon by his fellow samurai, thinking him without honor. Tazeko also claims to be trained as a ninja, shadowy fighters with no pedigree and no honor, lowering him even further in the eyes of his peers. Now, Tazeko is hired by a lord to investigate the disappearance of a noblewoman, another lords daughter. What follows is a gripping mystery, steeped in blood and tense drama as Tazeko journeys throughout Japan to uncover the dark and terrible truth behind this womans disappearance. Soon, this samurai finds himself in the midst of a never-ending political plot as many lords manoeuvre for power throughout feudal Japan. Master of the sword and relentless detective, Tazeko must pursue the truth at great cost not only to himself, but to all players in the game who will suffer as truth comes to light and deadly games are played. Dead Blossoms is an enchanting tale of mystery and honor set in feudal Japan.
