

Babyface Fire (The Adventurers: Book 2)

All Loebo wants in life is to lead the best team of adventurers in the kingdom, get filthy rich, and marry the prettiest lady hes ever met. Is that so much to ask? But when Loebo and the Chosen Squad set out to rescue his love from her overprotective father, he finds out a bounty has been placed on his head, courtesy of his own grandmother! While the Squad tries to unravel this mystery, Loebo comes across a wrestler-turned-adventurer named Bleg, who agrees to protect Loebo from the bounty hunters. But first, Bleg is hired to escort a young woman named Seren to her new job at OWW, Bolognias premier wrestling league. As Bleg confronts a bitter past with the companys powers-that-be, Loebo finds himself the focal point of the biggest wrestling storyline of the year.
