

Baited Blood (A Madison Rose Vampire Mystery)

Whos murdering vampires in Los Angeles and throwing the bodies into the Dedhams pool? Each victim has been branded, a distinct mark that is the calling card of femme fatale vampire Ann Hayes. The contemptuous undead beauty declares her innocence, but can the vampires believe her? Has Ann returned to reclaim Doug Dedham, whom she once loved? Or is she being framed? Complicating matters are Madisons burgeoning feelings for both sexy vampire Colin Reddy and fellow beater detective Mike Notchey. The stakes have never been higher as Madison and the vampires race to solve the mystery and stop the killer. Praise: This is good, cheeky fun with a solid mystery, loads of possible villains and a genuinely sexy romp on the fang side. RT Book Reviews Refreshingly intelligent investigative work...
