

Warlock: Desires of Blood (Volume 2)

Jared Anderson is down on his luck once again. He has survived much in his long life, disease, gang wars, and famine, and now he is up against an even bigger predator, the black market and the Mafia. He had a passion for expensive toys and women until he met his match: Lucinda, an incredibly beautiful and rich woman who harbors a deadly dark secret. They're both witches and command the dark side of the arts. Their magic is no sleight of hand or an illusion, but a product of Lucifer himself. However, there is more to her: she is immortal, a vampire, and her lure impossible to resist. Beautiful, cold, and deadly: a rare combination for love. Nonetheless, they shared a love so profound they would kill whoever got in their way, to protect that love.
