

## Sculpting (Action Art)

Read and Learn is an extensive collection of non-fiction books that help young readers discover and understand the world around them. Packed with fascinating facts and wonderful colour photographs, Read and Learn provides a bridge from the Foundation Stage into Key Stage 1. Spark your pupils interest in the imaginative world of art. Allow them to express their creativity and inspire different ideas by learning about a variety of materials and processes. These books will encourage pupils to investigate and understand colour, shape and space, pattern and texture and to use them to represent their ideas and feelings.
