

Midnight Taxi Tango: A Bone Street Rumba Novel

The author of Half-Resurrection Blues returns in a new Bone Street Rumba Novela knife-edge, noir-shaded urban fantasy of crime after death. The streets of New York are hungry tonight... Carlos Delacruz straddles the line between the living and the not-so alive. As an agent for the Council of the Dead, he eliminates New Yorks ghostlier problems. This time its a string of gruesome paranormal accidents in Brooklyns Von King Park that has already taken the lives of several locals and is bound to take more. The incidents in the park have put Kia on edge. When she first met Carlos, he was the weird guy who came to Baba Eddies botanica, where she worked. But the closer theyve gotten, the more shes seeing the world from Carloss point of view. In fact, shes starting to see ghosts. And the situation is far more sinister than that because whatever is bringing out the dead, its only just getting started. From the Paperback edition.
