

Beautiful: An Urban Fantasy (The Blood Divided Book 1)

Hi. Im Dan. Im all snarky and stuff. Ive always thought life was exactly what it appeared to be. Normal. Routine. Dull. Safe. Ive worked to get by, paid my bills, and made sure the mortgage was (usually) in on time. Thats how Ive lived from day to day, enjoying the small wonders in life and being happy with what I had. Until one winter night when the universe pointed a finger at me and laughed at my stupidity. Without word or warning I found myself in the middle of a struggle older than human civilization between warring factions of vampires. At every turn I discovered new horizons, both horrific and lovely. A hidden world opened up in front of me, full of magic and mayhem, vampires, faeries, dragons, even unicorns. UNICORNS. I know, right? Uh, anyway...Ive chronicled the struggle to save my friends, family, loved ones, and maybe even myself. Its a tale full of comedy and fear, adventure and sex. Like life itself, every moment has the potential to be beautiful.
