

Beautiful Rose

Humanity is on the cusp of evolution. The hate, greed, and fear that has plagued the hearts of man and degraded society has festered to the point of horrid transformation. Savage demons rearing sharp claws and razor toothed jaws threaten to infect Octairion with darkness and destroy all remnants of the light. Rose, a young woman born into this pit of despair, has endured a traumatizing childhood with her soul barely intact. Called upon by the Inner Realm, she must undergo a rigorous journey that brings her to the brink of death and ultimately results in a powerful transformation of Angelic proportions! Do Rose and the Army of Light have what it takes to liberate Octairion? Or will the Dark Forces demonize the nation?
