

Collabthology: Kindle of the Dead (Collaboration of the Dead Presents Book 1)

Collabthology. Is it a real word? Yes. Will you find it in the dictionary? Probably not, unless you get one that I've found a scribbled the word Collabthology into. But that's besides the point. What you hold in your hands is an anthology chock-full of fan-freaking-tastic horror stories (note that while most are zombie stories, not all are) from a ton of names you probably know as well as some new writers you may not know. Either way, you are in for a treat! This anthology is also my attempt to introduce the public to the world of the Collaboration of the Dead. At the end of this anthology are the first 5 chapters from the Collaboration of the Dead, a novel featuring over 20 of the best and brightest writers in the horror/zombie genre. Each writer adds a bit of themselves to the story and makes it their own. Collabthology features stories by Patrick D'Orazio, Gerald Rice, Mike Mitchell, Rebecca Besser, John McCuaig, Brandon Cracraft, Jeremy Bush, Ken Goldman, Lorraine Horrell, Marius Dicomites, Jamal K. Luckett, Douglas Hackle, Cassie Shaver, C.H. Potter, T.W. Brown, Tony Schaab, Suzanne Robb, Mihai Boc, Ben Langhinrichs, Michael S. Gardner and Matt Nord, poetry by Carey Burns, Karime Limon and Matt Nord and sample chapters from Collaboration of the Dead from Matt Nord, T.W. Brown, GNBraun, Zombie Zak and Stephanie Kincaid. So, for those of you who don't know what Collaboration of the Dead is, this will be your first taste of what we are about! Bon appetit!
