

## Betrayal (The Descendants, #1)

At seventeen, Cordelia is an ordinary teen with an extraordinary and frightening secret. A secret that induces vivid dreams which she not only experiences true love, but crippling fear while barely escaping with her life each night. After a life altering event, Cordelia has an unexpected encounter with Evan, the mysterious boy from her dreams, who reveals who and what she is - a descendant of the Greek gods. At that moment everything she knows of her world is a lie, and she must leave the present and go into the past to assume the role she was put on this earth for - safeguarding her ancient empire amidst evil forces that toil hastily to destroy it. In a race against time, Cordelia must decide if she is truly a part of this dangerous world, or risk defying the gods, and ultimately lose the boy who has put a claim on her heart. The Descendants #2 entitled SACRIFICE is anticipated to be released in December 2011.
