

## Journey To Landaran (The Spirit Mage Saga Book 1)

Aidah and her twin brother Tavish have always had a knack for getting into trouble. From pie stealing and pranks to hunting for magical creatures, they escaped notice in their tiny mountain village. Until now. Aidah begins seeing visions through her brother's eyes. He's a Firestarter, gifted with the Talent to control light and heat, destined to become a Sun Mage in the great city of Landaran. But he doesn't want to leave without his sister. As storm clouds gather, Aidah dreams of a beautiful man, a frightening man, calling to her. She fears the truth, that she may be developing a Talent of her own, one that will endanger everyone. The power to read minds. To possess bodies. To travel inside dreams. In the world of Ernid, Spirit is the ultimate power. Nations will go to war over them. \*\*Warning to young adult readers: this book contains mature themes\*\*
