

Blood and Illusion: Paranormal Romance--With a Steampunk Edge (Coven Enforcers Book 3)

Dark, dangerous, magical men who live to annihilate evil. Not all witches join the Coven. Fiercely independent, Isla heads up her own small band in the San Francisco area. Shes never needed help before, but dark sorcerers drive her and her group into hiding, trapping them. Sams worked for the Coven as one of their enforcers forever. Hes been there so long, the Coven is the only mistress he knows. Its a lonely life on the road thwarting wickedness and Black Magick with his guns, his magic, and his horse, but its been enough to satisfy him. Until now. A group of witches is in deep trouble. Theyre not part of the Coven, but Sam is sworn to protect all witches and he rides to their assistance with several of his brothers. Nothing prepares him for the outspoken spitfire who ends up riding double with him. Shes forthright, opinionated, and downright hostile, but hes drawn to her self-sufficiency and her undeniable beauty. Soon, Isla is all he can think about. Dark forces are on the move. Protecting the woman hes falling in love with is at the very top of Sams list. If they manage to survive, hell tame her. Claim her. Make her his.
