

## New Blood (The Blood Saga) (Volume 2)

Lianna has crossed the bridge from mortality to immortality, having left her entire existence behind. It felt good to be free of the dark cloud that had lingered over her human life. She could start over, she could be stronger, she could be better. But with the sweets comes the sour. The dreams have found ways to haunt her still. Shayla wasn't done yet. Her ghost had been right about one thing, the key was in the blood. Blood has haunted Lianna from the very moment she entered this eternal existence. A silent vow to herself; she has to conquer the blood before it conquers her.
