

Coffin Girls (Elegantly Undead: Book 1 of the Coffin Girls Series)

A sexy, female vampire with secrets. A sinfully-handsome witch prince on a mission. A formidable Vampire Council with something to hide. A vampire descendent from the original Coffin Girls, Anais runs a successful event and wedding planning business from her majestic New Orleans plantation house. To the Vampire Council, she is seen as an exemplary hostess and household head of a misfit bunch of vampires. When Yves, her maker and head of the Vampire Council requests her assistance in hosting the mysterious, yet dashing Prince of Witches, Conall, she has no option but to accept. But Anais is the keeper of secrets; secrets that can kill. Protective of her familys undiscovered uniqueness, Anais is guarded, yet intrigued by the enigmatic witch prince. Conall and Anais are drawn together when confronted with fatal encounters and an unimaginable destiny if shes willing to accept it and fight.
