

Bookmarks Are People Too! #1 (Heres Hank)

Hank stars the same Hank as in the bestselling Hank Zipzer series, only this time hes in 2nd grade! Hank is a kid who doesnt try to be funny, but he somehow always makes the kids in his class laugh. Hes pretty bad at memorizing stuff, and spelling is his worst subject. (But so are math and reading!) In the first book in this new series, Hanks class is putting on a play, and Hank wants the lead part: Aqua Fly. But he freezes in his audition and can only buzz like a fly. His teacher creates a special part for Hank, a silent bookmark. This may seem like an insignificant role, but when his enemy, Nick McKelty, freezes during the performance, its up to Hank to save the play!
