

## Oaken (The Underground Series Book 1)

When 17-year-old Autumn Oaken and her twin brother Luke find their parents brutally murdered, they are soon summoned by their grandfather who lives not in another city, but in another world called the Undergroundhome to all magical creatures seeking refuge from humankind. The twins journey into the Underground, discovering that they are not only elves, but royals and that their bloodline is in danger of extinction at the hands of their parents murderer, Vyra Vaun. Living in a skyscraper tree called Arbor Castle, the twins seek to join the Warriors, a group of elves who fight to defend the kingdom and to stop Vyra and her malevolent followers.

But Autumn soon becomes distracted, locked in an elfin love triangle with forbidden, golden-haired Avery and brooding, green-eyed Victor, who has a dark secret. She realizes she must make a choice. Little does she know her decision could very well mean the difference between life and death for all of the Underground.
