

Scratch & Stencil: Pretty Patterns

Everything that you need for hours of doodling, stenciling, and crafting can be found in these convenient, on-the-go Scratch & Stencil kits. Each kit includes seven sheets of scratch paper and a wooden stylus, which together can be used to create artwork in fun, bold colors. A 24-page booklet in each kit contains detailed instructions for craft projects that can be created with the three stencils provided, though the scratch sheets are perfect for freehand drawing as well. Scratch & Stencil: Pretty Patterns contains black scratch paper that can be scratched through to reveal blue-orange, rainbow, and glitter silver and purple underneath. The three prettily patterned stencils included can be used to create such projects as a patterned dress collection and gift tags decorated with a parade of animals.
