

## The In-law Suite book - Floor Plans to Build Your Own

With the population of elderly increasing at a rapid rate there is a significant need for assisted living apartments, nursing homes, and the like. The cost of these is often more than many can afford. One cost effective way is in-law suites. The In-law Suite Book contains 14 practical floor plans along with suggestions on how to keep costs down, safety, dealing with local building departments, and more.
