

Bubba and the 12 Deadly Days of Christmas

Bubba Snoddys got some problems. His family has descended for the Christmas holidays and not in a good way. His cousin wants to own the Snoddy Mansion, decrepit, falling down columns, termites, wood rot and all and isnt above using manipulative behavior to achieve his ends. Miz Demetrice is up to nefarious and illegal activities while trying to entertain relatives. His cousins ten year old son is the personification of a demon and has hobbies of looking at medical photographs, making stun guns from scratch, and causing havoc wherever he roams. The woman of Bubbas dreams, Deputy Willodean Gray, is still evading his romantic pursuits. Patients from the local mental institute are wandering over the town, ostensibly assisting with the Christmas Festival thanks to a program established by the mayor to cut costs. And Bubba has just found the dead body of a man dressed as Santa in the Christmas scene at City Hall. Oh, Pegramville, Texas is just the best place to be at Christmas if a fella has a bullet proof vest and a linebackers helmet. All the folks think Bubba might have done did it again, even though it was proven that he didnt done did it the first time, and Bubba has to move quickly in order to catch a murderer. Book 2 of the Bubba series. This book has recently been revised.
