

Arthurian Literature XXII (Arthurian Literature) (v. 22)

The essays in this volume present the most recent fruits of Arthurian scholarship, on texts from Perlesvaus to Albrechts Jungerer Titirel and the Prose BrutChronicle, together with a detailed examination of the role of Micheau Gonnots Arthuriad in the evolution of Arthurian romance. The volume also includes an investigation of Arthurian prophecy and the deposition of Richard II. It is completed with an encyclopaedic treatment of Arthurian literature, art and film produced between 1999 and 2004, acting as a continuing update to The New Arthurian Encyclopedia.
