

Assassins Shadow (Veiled Dagger) (Volume 2)

A mind numbing opiate manufactured by persons unknown, distributed throughout the Kings city. With thousands addicted, crime and civil disorder grow out of control. For the stability of the nation, the distribution must cease. But with mysterious figures pulling the strings, only one that works in the shadows can get close. Rothar, royal assassin, must infiltrate the layers of henchmen to reach the head of the snake, and cut it off.
